***“New Day Family Success Center Offers Employment Assistance”***

GALLOWAY – The New Day Family Success Center offers employment assistance to residents and community members. LaToya Wilson serves as the center’s Employment Specialist. LaToya provides assistance in resume building, preparing mock interview questions, searching and applying for employment online, and building an individual’s confidence in preparation for a new position. LaToya remarks that “Many people going through career changes are not computer savvy, so resume building and online assistance are two of the most popular services offered.” All of the services provided through New Day are at no cost.

Caitlyn Baldwin, New Day Family Success Center’s Program Supervisor, notes that “LaToya brings a wealth of experience to the individuals and families served here from her position with Atlantic County Government. LaToya understands the difficult climate that this area is facing and the many dynamics that actually bring people to us. She is a resource to individuals who are unemployed or underemployed.”

Many of the clients at New Day are laid off casino employees. Atlantic County Government has been able to connect clients with grants to help get them back into the work field. LaToya’s primary focus is on employment readiness, while the County has been really great at assisting with job placement services. Through this collaborative effort, qualifying individuals are being hired when positions are available. For additional information or if you’re interested in services, please call (609) 652-0230 to request an appointment.
